Review: I dont want to give away the plot, but I will say that this story resonated with an Alaskan who enjoys Hawaii! I found Kolea an engaging, suspenseful, and entertaining read that rings true given what little I know about the pre-contact cultures and places that are central to this narrative. Im not an anthropologist, but I have some familiarity with...

Description: To paradise they sailed—There once was a world where hula dancers were experts at spear fighting, where a blind warrior taught his students healing arts...where adventure ruled—...as well as savage fighting. And where young people could build and sail a canoe on voyages to unknown lands.where danger waited...That world was Hawai'i.The illegitimate child...
